

Welcome to the EUROROVER OWNERS CLUB

This is a car club for Europe and any MG or Rover is welcome regardless of age or condition, standard or modified, from the early 75s to the latest 75, The club is becoming the largest and best Rover Club in Europe.

The aim of the club is to give you, our members, a say in the running of the club, from what events you would like to attend to assisting in organising events, or just a chat down the local pub.

It's also a non-profit making organisation, donating money to various local and national charities throughout the country.

As a member you will get discounted tickets to shows such as Cholmondeley Pageant of Power, discounted insurance and 20% discount on most items in the club shop.

Why not fill out the membership form now.

Remember this is a club for you the member.

It's your club, have your say!

T4 diagnostic machine

The Eurorover Owners Club is pleased to

announce we now have an MG Rover T4 diagnostic machine as used in all the network

dealers. We will be touring this unit at various shows during the year and good discounts are available for members wanting this service.

The club can also supply remote key fobs for your 200 400 600 800 and 25 45 75 ZR ZS ZT.

For a limited period only to members with the following cars: Rover 200 400 25 45 ZR and ZS with the old style 2 button remote the club can supply and program these for £60. That's a saving of at least £40 on dealer prices. Contact the club for details.

Please note we will be only touring this if there is an interest. Please advise you wish this service at a show.
