

Welcome to the EUROROVER OWNERS CLUB

Congratulations on choosing the EuroRover Owners Club.

The club was formed in 2001 by a group of MG and Rover enthusiasts and has evolved into the club you see today.

We adopt a relaxed family friendly approach to shows where our aim is to socialise and have fun. We welcome dogs to the majority of events, however restrictions apply.

The length of our shows vary, some for a day, others for a whole

weekend, it's your choice.

As a member you qualify for discounted tickets, insurance and 20% off most items in the club shop. Keep an eye open for our 'ZED' offers giving your **BIG** discounts for advance bookings.

Club Shop

Members receive up to 20% discount on all items in the club shop.

Service parts are offered at highly competitive rate. For parts not listed contact: **tech@eurorover.co.uk** and we will do our best to help.

Lost Codes

Have you mislaid / not been given your key, AKA or radio code? If so we can help but there is a charge for this service.

Stainless Steel Exhausts

We have negotiated a deal with ProSpeed Exhausts, Cardiff. Contact Charlie (029 2046 1444) with your specifications. They can

supply anything from boxes to full systems.
